AMENDMENT AND REPLY

This is a preliminary amendment and response to issues raised in the Office action dated September 11, 2003 (Paper No.28), Advisory Actions of November 26, 2003 and February 2, 2004 (Papers 30 and 34). Applicants request that the two previously submitted, non-entered amendments dated November 10, 2003 (Paper No. 29) and January 12, 2004, presented after final rejection, not be entered at this time and that the present amendment be entered instead. Applicant requests that the Information Disclosure Statement filed January 12, 2004 also be entered if it hasn't been already. Amendments to the claims begin on page 2.
